Wow, guess there's more people than I thought. Yes, would include Site attorneys (but go ahead if they can't make it), and Harry Ball (for McClellan) and Loren for TI. But if Loren can't make it, don't worry since TI is non-NPL and this is our last year working on it.

Thanks

I checked calendars for Charnjit, Bob, and Xuan-Mai, and they don't look blocked, but I left msgs w/everyone also. Bob is out until 5/14.

Should I also invite Nadia for Treasure Island? Thomas Butler (sub for Rachel)? Rob Terry? Any managers?

If possible, do you mind coordinating with NRC on this. It would mean asking the McClellan folks (Charnjit and/or Bob Fitzgerald)) and Alameda (Xuan-Mai) as well. Seemed to work well when Craig did that. NRC usually puts the same agenda together, so just a matter of checking on our schedules.

I could probably do early that week, but it's the last week before school starts, so might be out a bit.

Thanks, John

What would be the best way to coordinate this?

Lily,

Please let me know if I should work directly with John Chesnutt- but would it be possible for me to ask you to chat with the other folks in EPA RIX regarding NRC's annual site visit?

NRC staff is currently targeting the week of 8/24 for our annual site visit. Could you please let me know if this week would work for EPA RIX? I have not yet reached out to the Navy, Air Force, or State, so the target week is still subject to change.

Thanks,  
Richard
